OKEHAMPTON DCS – OPEN SHOW 23 FEB 2019

What a pleasure it was to judge the Pastoral breeds and Hounds at this show. With depth of quality in evidence throughout, and a number of star exhibits in several breeds plus some outstanding youngsters who will surely make their mark in the future, it was a long day well spent. It's always pleasing when an exhibit one sends forwards, for the major show awards under a different judge does well, so I was delighted that my Hound group winning Borzoi took BIS, and my Pastoral Puppy group winning Groenendael took RBPIS, and then my Pastoral Best RBOB Tervueren won overall RBOBIS. I must thank my brilliant steward June Trethowan for her ring organisation and patience, June you're a diamond!
