BORDER TERREIR

Graduate (2)

1. Mitchell's Rodzina Lone Ranger 3 year old really smart mature male with a super outline and is balanced all through. He has a super Otter shaped head with a keen expression, and small neat ears. Straight forelegs, neat feet with thick pads. Good forequarters and strength in topline, presented in good harsh coat and condition. He is extremely sound on the move moving true both away and back and covers the ground with excellent footfall. BOB, & G4

2. Chugg's Earthtaw No Way Jose 16 month old youngster who still has some maturing to do but he has plenty of time on his side. Strong head with short muzzle, dark eye giving a keen and alert expression. Nice overall body shape, with ribs well back, correct tail set and carriage, nice coat with harsh texture he was just a little unsettled on the move and had to give way to maturity. RBOB
