Golden Retrievers

Thank you to the committee for their hospitality and to my efficient ring steward who looked after me so well; I thoroughly enjoyed my day judging a lovely entry of Golden Retrievers at this pleasant, well-run show. Many thanks to the exhibitors who brought their dogs under me; decisions were close in some cases.

**Junior (7)**

1. **Hocking's Kaspurgold Elsa** – Beautifully made young lady of almost 12 months, showing super balance for her age. She has a very pretty, feminine head with a sweet expression, which is enhanced by lovely dark pigment; super front angles with a good layback of shoulder and corresponding upper arm, she has nice tight elbows and an adequate length of leg. She is deep in frame with ribs well sprung and good rear angulation, and has well let down hocks which are straight when viewed from the rear. Shown in beautifully presented pale gold coat with lovely neat feet, she moved so freely with good drive from the rear. Must have a promising future, **BP RBOB**
2. **Hewitson's Kaspurgold Key to My Heart at Seruilia**
3. **Burns' Tenfield Illustrious Blue**

**Graduate (7, 2)**

1. **Kaspurgold Elsa**
2. **Kaspurgold Key to My Heart at Seruilia**
3. **Armitage's Warrentor Plum Duff of Nakuru**

**Limit (2)**

1. **Kaspurgold Elsa**
2. **Kaspurgold Key to My Heart at Seruilia**

**Open (5, 2)**

1. **Johnson's Devonivy Diamond Cut by Niallgold** – Mature, masculine boy of 4 years, he is classically made, very balanced in profile and so full of fun - he seemed to really enjoy his day out and brought a smile to my face. He has a lovely, well chiselled head with a kind expression enhanced by dark pigment. He is well angulated fore and aft, with a super front assembly and corresponding rear angles; deep in the body, short coupled and ribs well sprung, he holds a level topline when standing and on the move. He is an enthusiastic, powerful mover with good reach and drive, on an even free stride. Maturity gave him the edge over the bitch for **BOB**.

I was delighted to be offered this appointment. The day was cold and a little damp but the atmosphere was superb. Thank you too all the exhibitors who were all very sporting. ## Young Kennel Club Handling

### **Class C: 6-11 Years (1 entry, 0 absent)**

1<sup>st</sup>. H3 - Emma Sweet, age 8. New to handling, Emma was very alert to everything I said, listened well and was in tune with her dog. With a little more training in shapes, and running her dog a little faster, she could become a nice neat handler.

### **Class D: 12-16 Years (6 entries, 1 absent)**

1<sup>st</sup>. H10 - Charlotte Woodward, age 16. A very precise handler. Charlotte listened and did everything asked of her with precision, keeping a close eye on me and her dog at all times. Worked at the correct speed for her dog and didn't rush. 2<sup>nd</sup>. H9 – Meaylee Lewis, age 12.

### **Class E: 17-24 Years (9 entries, 4 absent)**

1<sup>st</sup>. H13 - Paige Edens, age 17. Paige was a very neat handler. She looked the part, performed each shape perfectly and, despite the fact she was handling a big dog in a small ring, she made sure she used the space available well. Being very alert to my movements and how her dog was performing she flowed to a well-deserved first place and took Best Overall YKC Handler. 2<sup>nd</sup>. H15 – Rebecca Mills, age 18.
