Golden Retrievers

Thank you to the Committee of Okehampton and District CS for inviting me to judge Golden Retrievers at your show and may I take the opportunity to compliment them on such a well run show. Thanks also to my Steward for all her assistance in taking care of me and doing such a super job.

Puppy: 2 entries (0 abs).

1. Smyth, A. Kadaka Karnival Queen. What a super 7 month old pale bitch. Very sweet expression with dark pigment and eyes. Good reach of neck into well laid shoulder. Straight front and good upper arm. Short coupled. Adequate turn of stifle. Well balanced and moved like a little professional. Tailset a little low at present but I am sure it will level out with age. Turned out to perfection. Thrilled to hear she went on to win Gundog Puppy G1 and was awarded Best Puppy in Show. Well done. This puppy has a great future.

2. Lewis, S & M. Lovehayne Bijou Among Fairwinds.

Junior: 5 (1 abs)

1. Jenkins, H. Trebell Triumphant. Lovely mid gold boy. 16 months and showing his youth by his lack of maturity and body. He has a gorgeous head with dark pigment, kind eye and soft expression. Good length of neck a little lacking in upper arm. Nice tight feet. Level topline. A little longer in body. Super turn of stifle. Moved well and kept his tail level on the move. Looking forward to seeing him in the future with a bit more body he has a lot to grow into. Nice boy.

2. Bond, E. Trebell Trolly Dolly.

3. Scott, S. Trebel Truck Driver.

Graduate: 7 (3 abs)

1. Lees, P & J. Silverbarrow Secret in Lace by Denmarella JW. A bitch I have admired and not disappointed in going over her. Dark golden coat almost 2 years old. Lovely head and expression. Good length of neck. Correct layback of shoulder with good upper arm. Straight front. A little longer cast but does not detract from her overall shape. Good turn of stifle. Moved well although a little over exuberant on occasions. RBOB.

2. Pike, C. Kadaka Karbon Kopy for Trumpsgold.

3. Jenkins, H. Trebell Triumphant.

Limit: 2 (1 abs)

Mace, J. Stevel Choir Master at Telanjan. Stood alone in this class. 3 year old pale gold dog. Lovely head and dark eye. Plenty of bone. Good shoulders and upper arm. Short coupled. Nice turn of stifle. In good coat. Moved well but a pity he was not happy at this venue.

Open: 5 (2 abs)

1. Mace, J. Harry the Magician at Telanjan. Lovely Well balanced 5 year old dark golden boy in gleaming coat. A pleasure to go over him. Typical golden head, nice dark eye and kindly expression. Correct shoulder placement with good straight front. Catlike feet. Well laid shoulder and upper arm. Short coupled. Good length of leg, excellent turn of stifle. Level topline and tailset remaining level on the move. Overall an excellent representative of the breed. Would have just preferred a bit more size all round. This however did not detract from his overall stature and confirmation. Loved this boy. BOB

2. Johnson, H, M & L. Devonivy Diamond Cut by Niallgold.

JUNIOR HANDLING

Thank you to the Society for asking me to judge.

6-11 1st place: Emma Sweet aged 9.

This handler was nicely dressed and went well with her charge. She showed the teeth cleanly and made sure that the dog was going at the right pace at all times. Just make sure that you practice some of the more basic patterns and it will really help the overall performance. 2nd, Faith Salter aged 6. 3rd, Aneta Kopec aged 9.

12-16 1st Place and BJH: Meaylee Lewis aged 14: This handler was nice and sympathetic towards her dog at all times, even when her dog was being a bit difficult about showing their teeth she kept calm and carried on in an efficient manner which I liked. Her patterns were neat and she went at the correct speed for her dog. I'd just say to make sure that your final present is directly in front of the judges feet which will make the overall performance that much neater but apart from that a nice performance. 2nd , Caitlin Tree aged 12. 3rd, Caitlin Channon aged 14.
