GARETH LAWLER – ROQFOLLY

My first attempt at showing a dog was in 1977 at a local exemption show (as they were called then)... The family pet....a Shih Tzu. I was a regular visitor to open shows from then on, but didn't get my first dog to show, an English Springer Spaniel, until 1983. Over the next few years he taught me much more than I taught him, gained his stud book number, and got me hooked. I was fortunate to be able to spend my University vacations at some of the larger spaniel kennels, and so learned much of my trade at the hands of some of the Great British breeders. To this day i emphasise the importance of good mentoring from the start. Due to university my first ess bitch didnt arrive until 1989, first litter born in 1992, by this time i had a cocker spaniel too. The pup retained from the 1992 litter was the dam kf my first champion, taking her (and my) first CC at Crufts 1998, ending the year as top ESS bitch. Since this time i have been fortunate to have bred 10 ESS champions, winning BIS at the ESSC Centenary championship show in an entry of well over 200, owning top Ess brood bitch in 2010, owning and breeding the first undocked BW ESS to gain her title, had 2 litters containing 2 champions in each, and had 4 generations of homebred champion bitches in direct line I have won res ccs with Cocker Spaniels, owned and bred Beagles, and also owned Min Schnauzers, Cavaliers, Vizslas (you may see me attempt to show one later this year) and was delighted that in my first homebred litter of Tibetan Terriers, 2 of the dog pups have won their class and Best Puppy Dog at championship show. I am a firm believer in living with different breeds teaches you so much about them.....and studying and learning about as many breeds as possible makes one a better judge of ones own breed. I have spoken at two International Springer spaniel Symposia....in Stockholm 2008, and Helsinki 2014, and for some years have been very actively involved with a small team who provide education and judges training throughout the UK for ESS. I judged my first gundog group in 1998, and my first Utility group in 2005, and since that time have judged it quite a few times, along with Hound and Toy groups too. I award CCs in ESS, WSS and Cocker spaniels, have judged Labrador Retriever and Briard club open shows. I am looking forward to judging the Gundogs and Best In Show at Okehampton, i have judged a fair few shows in the South West...and find one is always guaranteed to find some quality dogs present.

DARREN PEARSON

My grandad bought me a pet Westie way back in 1990, he was determined I should have a terrier so we could walk our dogs together. Little did I realise as that excited 8 year old that that little white dog would take over my life. From junior handling, to showing at champ shows, myself and my parents have bred multiple generations of Winoski's, and I am also a Committee member of the West Highland White Terrier Club of England, and Assistant Secretary and Show Manager for the Northern Cairn and West Highland White Terrier Club. I have been judging terrier breeds for 8 years, and in 2019 look forward to awarding CCs for the first time! I regularly attend seminars to gain more knowledge on terrier breeds. A proud Yorkshire lad, I could never imagine a life without dogs!

YOLANDA TONKIN

I have been actively involved in dogs for over 30 years having owned, bred and shown successfully at all levels under the Rosanyos and Tonantron affixes, making up Champions and exhibiting our home bred boxers to Best in Show titles at All Breeds Championship Dog Shows. I have successfully bred and shown Lancashire Heelers. I had my 1st French Bulldog back in 2005 who gave me lots of pleasure in the show ring. I award CC'c in Boxers, I'm currently on the B list for Lancashire Heeler and C List for French Bulldog. I love the working and Utility breeds and find myself quite often at shows drifting off to another ring watching other breeds. I would like to thank Okehampton & DCS for inviting me to judge at their Open Show and I look forward to meeting your lovely exhibits.

**DEFINITIONS OF CLASSES**

In the following definitions, a Challenge Certificate includes any show award that counts towards the title of Champion under the rules of any governing body recognised by the Kennel Club. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must be at the time of entry a member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class i.e.

**5<sup>th</sup> January, 2019.** Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not

include a Special Prize of whatever value. A dog is not eligible for entry in Variety classes unless also entered and subsequently exhibited in a breed class where such a class is provided for which it is eligible.

Exemptions from this regulation are:-

1: A puppy, unless a class for dogs under twelve months of age for which it is eligible is provided for the breed.

3: A dog in Any Variety Veteran class.

6: A dog which is withdrawn from exhibition in breed classes as a result of the appointment of an emergency

Judge.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

1: Withdrawal – The dog may be withdrawn from competition subject to the conditions of Regulations 9(j) and

20.

2: Transfer:

a) If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the

Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height or, in the event of there being no equivalent class, Minor Puppy and Puppy excepted, to the Open class for the correct breed, colour, sex, weight or height.

b) For an exhibit entered incorrectly in a Minor Puppy class, Puppy class or Junior class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty-four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class, Junior class or Yearling class to the Open class for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior Or Yearling class to the Open class for the correct breed, colour, sex, weight or height.

c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.

d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

**PUPPY** – For dogs of six and not exceeding twelve calendar months of age on the first day of the show.

**JUNIOR** – For dogs of six and not exceeding eighteen calendar months of age on the first day of the show.

#### 16. DOGS IN VEHICLES ON HOT DAYS

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations.

Show Schedule Notice to be reproduced. (See Annex A to Schedule).

Dogs in VEHICLES on Hot Days: Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade, for example, a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel hotter and dehydrated, and this could lead to dire results. Please look after your dogs welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or

otherwise. Breach of Kennel Club regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to refuse entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulations to refuse any entry.

17. Not for Competition: Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered

18. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.

## **IMPORTANT INFORMATION REGARDING IDENTIFICATION OF DOGS**

It is a Kennel Club requirement that exhibitors display the exhibit number on their crate, cage or container at all times.

This is particularly important when cages etc. are not on benches, and at unbenched shows.

Each exhibitor is responsible for providing their own cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

It is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a gangway.
